

Working student HR (m/w/x)

Location: Munich

Your tasks

After intensive training, you will support our HR team in the recruiting process from the pre-selection of applicants to the signing of contracts and, in addition to administrative tasks, you will be responsible for communicating with applicants.

You will actively help with the design and regular maintenance of our online channels as well as with the preparation and implementation of various recruiting events.

Your benefits

- A varied job in an international consulting company
- A friendly and supportive working environment with a young team and an office in a central location in Munich
- An attractive salary as well as flexible working hours and home office options that can be easily combined with your studies

Your profile

We are looking for someone who:

- Is enrolled at a college or university and has at least one year until graduation
- Preferably studied in a field related to the position and ideally has gained some practical experience
- Has an interest in HR-related topics and HR processes
- Has a quick grasp of the situation combined with reliability and discretion
- Works independently and carefully

Who we are

Strategy Engineers is an international management consulting company specialised in mobility. We share one common purpose: To unlock our clients' potential to navigate uncertainty towards sustainable mobility. We are convinced that our consulting approach is unique: Our management expertise and entrepreneurial competence, combined with technical understanding, sets us apart from other consultancies. It allows us to see eye-to-eye with our clients and meet their challenges with tailor-made solutions that bring sustainable change.

We strive to be responsible and create a positive social impact, a trait embodied by each and every one of our unique colleagues - all willing to contribute, accept challenges, and give substance to a new reality.

Strategy Engineers has been awarded the title „Best Consultant“ in Germany eleven years in a row. The company was founded in 2011 and today has its headquarters in Munich.

What connects us

- The ambition to shape the future
- The fascination for technology and trends
- The fun of working as a team and making a difference together
